To the Friends of Sr. Emmanuelle Community

On the 20th of October 2008 we were informed about the sudden death of Sr. Emmanuelle who in her work of charity in Egypt, Sudan, and the world at large, has been a faithful disciple of Christ, acknowledging him (Christ) on the faces of the suffering people she cared for.

The Archdiocese of Khartoum benefited a lot through Sr. Emmanuelle support to the Sudan Society of St. Vincent De Paul and the Archdiocese of Khartoum Save the Saveable School Programme. All these programmes were and are still focused on the poor and vulnerable persons who have experienced joy and hope in what they earned through these services.

On behalf of His Eminence and the Church of the Sudan I convey to you my friends of Sr. Emmanuelle, our prayerful condolence. Imploring the mercy of God on her, may He grant to Sr. Emmanuelle eternal rest.

Sincerely yours,

† Daniel Adwok Marko Kur
Auxiliary Bishop of Khartoum
